

KEARNY MESA PLANNING GROUP NOTICE

To all community members; as a result of the COVID-19 local emergency and California Governor's Executive Orders, the Kearney Mesa Planning Group (KMPG) will postpone the March 2021 elections and allow current board members to stay on the Community Planning Group until the Governor's Executive Orders are removed.

We encourage all community members to continue participation on the KMPG monthly meetings currently being held virtually through video conference call.
